

## District Asset Protection Advisor Western Australia

An exciting opportunity has arisen for an experienced individual to join the Target Asset Protection team as a District Asset Protection Advisor. This position will see you implement strategies with a view to reduce shrinkage and enhance profit within our stores. This role will be based out of the Target Morley Store in Perth.

You will deliver a best practice Asset Protection support service to the business through the implementation of strategies and programs. Working with districts and stores to identify and maximise opportunities that support the delivery of Target's shrinkage reduction programs, you will focus on awareness, education, compliance, operational efficiency, physical security, theft & fraud detection as well as investigation and crime resolution. You will ensure Asset Protection standards, as well as company policies and procedures are implemented and maintained and technically proficient advice is provided across the business.

To succeed in this position, you will have a demonstrated track record in Asset / Loss Prevention, a strong understanding of industrial relations laws and working knowledge of investigations, criminal, legal and police procedures. A Certificate III in Investigative Services would be highly regarded.

Furthermore, you will have proven experience in a leadership capacity. A skilled negotiator, you lead by example through fostering a strong and cooperative team network. Exhibiting a high level of integrity, you will have an understanding of retail security, retail shrinkage and risk management mixed with a capacity to meet deadlines and work in a goal orientated team environment. As this is an intra-state, a current drivers licence and an ability to travel is required. If you have experience in internal/external investigations and you're looking for a role requiring strong communication and influencing skills across all levels this is the opportunity for you.
