

# Manufacturers Customer Care

In the unlikely event that you experience difficulties with your new purchase, it is in your best interest to contact the Manufacturer's Customer Care Hotline.

## Before you call the Manufacturer's Customer Care hotline:

- Turn the item on/have the item ready and collect all accessories
- Have your receipt with you
- Have a pen and paper ready so you can record all customer reference numbers

## After your call:

- Ensure you follow the directions given by the Manufacturer's Customer Care hotline
- If you return your purchase to Target for repair, exchange or refund, it is advisable to have all accessories, customer reference numbers and your Target receipt.
