## More About ECO. Face Serums

At ECO. we know that our lives are ever-changing. We live in a fast-paced world filled with plenty of challenges. Looking and feeling good is important to us. What's more, we know that natural is best and we want to take advantage of this in every aspect of our life.

With a high dose of active ingredients to pack a real punch, serums are perfect for treating areas of concern, leaving you with your best skin possible! Add a serum to your daily ritual in the morning and/or evening, after cleansing and toning but before moisturising, and see the difference for yourself.

### C Serum

Designed to combat ageing, naturally, C Serum is packed full of antioxidants and natural anti-ageing ingredients to revitalise and renew skin. Ideal for use in the morning, C Serum will help to treat pigmentation and redness in the skin.

**Argan Face Oil**  
certified organic

Rich in essential fatty acids, our Argan Face Oil is the must-have product to relieve dry and thirsty skin. It has a wondrous ability to dramatically rejuvenate, rehydrate and heal skin, leaving dry and sun-damaged skin types feeling fresh, comfortable and renewed.

### Rosehip Oil

certified organic

Get glowing skin with rosehip oil, the superfood for your skin. Rich in essential fatty acids and vitamin C, this powerful serum contains healing regenerating and hydrating properties, effectively treating all of your concerns associated with ageing skin.

### Pimple Clear

Get clear skin, naturally, with our powerful acne treatment that contains skin-nurturing essential oils to combat troublesome skin. Key ingredients tea tree oil and lavender are included for antibacterial, soothing and healing qualities, along with the ability to prevent sebum buildup in the skin.

### SRS Skin Rescue Serum

The ultimate treatment for irritated skin, SRS contains vitamin A, known for its healing and cell repairing properties, along with calendula oil to treat skin inflammation, moisturising jojoba oil and soothing lavender oil. A must-have for the treatment of skin rashes, scarring, burns, pigmentation and dehydration.
