## How to Link a Switch Console to The Parental Controls App.

A Nintendo Account (belonging to a user aged 18+) is required to use the Nintendo Switch Parental Controls app. Linking a Nintendo Account to the Nintendo Switch Parental Controls app allows parents to manage and monitor Nintendo Switch usage through a smart device. An Internet connection is required to link the console and the app. Data charges may apply.

1. Download the Nintendo Switch Parental Controls app on your iOS or Android device
2. Get the Registration Code from the Nintendo Switch Parental Controls app on your smart device. Click here for steps
  - a. On your smart device, launch the Nintendo Switch Parental Controls app and select "Next" on the title screen.
  - b. Tap "Sign In / Create Account."
  - c. The application will launch <http://accounts.nintendo.com> in the device Internet browser.
  - d. Sign in to your existing Nintendo Account or create a new one.
  - e. Your Nintendo Account nickname will appear on the screen. Select "Use this account" to confirm.
  - f. You will be returned to the Nintendo Switch Parental Controls application. Select "Next."
  - g. A Registration Code will appear on the screen of your smart device.
3. Use the Registration Code to link your Nintendo Switch system to your smart device. Click here for steps
  - a. On the Nintendo Switch console, select "System Settings" from the HOME Menu.
  - b. Scroll down to highlight "Parental Controls," then select "Parental Controls Settings."
  - c. Select "Use Your Smart Device."
  - d. Select "Yes" to verify that you have the Nintendo Switch Parental Controls app.
  - e. Enter the six-digit Registration Code from your smart device. Select "OK."
  - f. Select "Register" to link the Nintendo Switch to your smart device.
4. Once the link is complete, you can use the Nintendo Switch Parental Controls app to set parental controls restrictions.

An Internet connection is required for the Nintendo Switch console to sync to the app.

## How To Add Additional Consoles to the Nintendo Switch Parental Controls App

Up to three Nintendo Switch consoles can be added to the Nintendo Switch Parental Controls app.

1. On your smart device, launch the Nintendo Switch Parental Controls app on your iOS or Android device.
2. Tap the + icon in the upper-right corner.
3. Tap "Add a Nintendo Switch Console."
4. Tap "Next" to get the Registration Code for the Nintendo Switch Parental Controls app.
5. Use the Registration Code to link the Nintendo Switch console.
