

## CUSTOMER NOTICE

Target wishes to advise that the Bellini Intelli Kitchen Master which was advertised on page 22 of the “Home and Electrical” Catalogue commencing 15/3/2012 is a product sold exclusively in Australia by Target. Customers are advised that this product and the product’s manufacturer and distributor have no affiliation with the Thermomix product that is sold in Australia through a solely authorised distributor.

The Bellini Intelli Kitchen Master has functions that are explained in a recipe book that accompanies the product.

Due to a production error, an incorrect version of the recipe book was packaged with this product. The recipes contained therein are not configured for use with the Bellini Intelli Kitchen Master and incorrectly refer to “Thermomix” and “TM” within the text. Customers affected by this production error are encouraged to return the existing copy of the recipe book to their nearest Target store for replacement.

Target apologises for any inconvenience caused.
