Target Australia Pty Ltd is conducting a recall of the above products. The products have been available for sale at Target and Target Country stores nationally.

**Problem:** The recall is due to the potential presence of undeclared allergens (tree nuts and peanuts). The label states 'may contain shell fruit' instead of 'may contain tree nuts and peanuts'.

**Food safety hazard:** Any consumers who have a tree nut or peanut allergy or intolerance may have a reaction if these products are consumed.

**What to do:** Consumers who have a tree nut or peanut allergy or intolerance should not consume these products and should return them to the place of purchase for a full refund.
