WARNING:

It is STRONGLY RECOMMENDED that you ANCHOR this product.

Toppling furniture can cause serious injuries and death.

This product has been fitted with an anchor strap/bracket. To prevent your furniture from tipping forward it is strongly recommended that you **securely attach this product** to a wall or other solid surface, using the anchor straps provided and appropriate fixings.

IMPORTANT:

Regularly check that anchors are securely maintained.

Use safety **drawer locks** to prevent children climbing.

Stability of tall item may be affected by thick pile carpet or uneven floors.

Do not place unanchored televisions on furniture.

CAUTION:

For your safety when attaching the anchor fixings, please note the following:

- Check for any electrical wires or plumbing inside the wall before drilling any holes (if unsure please seek professional advice from a qualified trades person)
- Walls are constructed from different materials, for example, masonry (solid brick) or plasterboard lined cavity walls (hollow). It is important that you use the appropriate fixings for your wall type.
- Your local hardware store will have the necessary drills and fixings and can offer advice if needed. If in doubt, engage the services of a qualified trades person to install and anchor the product.
